**Kirkwood Community College**  
**Equal Employment Opportunity/Affirmative Action Program**

**Equal Employment Opportunity** - The legal necessity to maintain programs to insure fair and equitable treatment of all employees and applicants regardless of sex, race, age, creed, color, national origin, religion, marital status, sexual orientation, gender, gender identity, physical attributes, physical or mental ability, veteran status, genetic information, or socioeconomic status.

Kirkwood Community College has established an equal employment opportunity/affirmative action program to reflect its moral, ethical, and legal commitment to equity in employment activities and in educational services. This plan serves as an assurance to students, employees, and to the larger community of Kirkwood's efforts to comply with local, state, and federal regulations requiring equal employment opportunity, equal educational opportunity, and affirmative action.

**Affirmative Action** - The legal necessity to maintain a recruitment and employment program that will affect a change in staffing patterns; an attempt to eliminate employment discrimination based upon sex, race, age, creed, color, national origin, religion, marital status, sexual orientation, gender, gender identity, physical attributes, physical or mental ability, veteran status, genetic information, or socioeconomic status.

This program is also designed to support affirmative action practices that advance the representation and utilization of protected class members. It is not intended to be an end product, but rather an indication of an ongoing process toward accomplishing objectives and resolving conflict related to employment and educational equity within the college.

## **Diversity and Inclusion:**

Kirkwood Community College recognizes the importance that a diverse workforce can have on developing a more inclusive college climate for learning. In various research studies, colleges that have emphasized and promoted diversity within their classrooms and on their campuses saw a positive impact to students including:

- Improved Cognitive Development (Astin, 1993)
- Greater Satisfaction with their overall College Experience (Astin, 1993)
- Improved Leadership Skills (Astin, 1993)
- Growth in Intellectual and Academic Skills (Gurin, 2002)
- Enhanced Critical Thinking (Pascarella et al., 1996)

As an institution of higher learning, Kirkwood Community College will work to maximize the benefits that come with such a diverse and inclusive environment by challenging students and staff to think critically about their assumptions, seek out knowledge, be open to new perspectives, as well as examine their own perspectives. (Gurin, Dey, Hurtado, & Gurin, 2002) and (Maruyama and Moreno, 2000)

## **Discrimination and Sexual Harassment Complaint Process**

All Kirkwood employees and students who feel they have been denied equal opportunity on the basis of sex, race, age, creed, color, national origin, religion, marital status, sexual orientation, gender, gender identity, physical attributes, physical or mental ability, veteran status, genetic information, or socioeconomic status may seek remedy through an internal complaint process. This process also pertains to those who feel they have been the subjects of sexual harassment (see definition on page 11). The college assures that full cooperation will be provided to any individual filing a complaint with no threat of penalty or reprisal to the complainant. If the complaint involves alleged discriminatory or harassing behavior by the Vice President, Human Resources, the Vice President, of Student Services, or the Vice President of Academic Affairs should be contacted in lieu of the Vice President, Human Resources wherever referenced in the following procedures.

### **Complaint Process**

Employees who believe they have experienced or witnessed any type of discrimination or harassment should notify, verbally or in writing, their immediate supervisor, instructor, advisor or counselor as soon as possible following the date of occurrence of the event giving rise to the complaint.

The staff member contacted will report the incident to the Vice President, Human Resources immediately for purposes of documentation and advice regarding the next steps with the complaint process. If the complainant does not feel comfortable with going to any of the staff members listed above they may file a complaint directly with the Vice President, Human Resources. Discrimination complaints about the Vice President of Human Resources should be directed to the Vice President of Academic Affairs.

Once the Vice President, Human Resources is notified an investigation will commence. Kirkwood's policy is to investigate all complaints thoroughly and promptly. To the fullest extent practical, Kirkwood will keep the complaint/investigation confidential. The investigation will be conducted per the following process:

- The Vice President, Human Resources or a designated representative will meet with the person who filed the complaint to obtain a formal statement as well as clarify any questions.
- The Vice President, Human Resources or designated representative will meet with the person against whom the complaint is made and provide them with the details of the complaint. At that time, the alleged perpetrator will have the opportunity to respond to the complaint.
- The Vice President, Human Resources or designated representative will interview individuals who may have witnessed the incident or been in the vicinity where the alleged behavior occurred.
- The Vice President, Human Resources or designated representative will provide a written summary/report to the complainant and alleged perpetrator within 15 business days following the completion of the investigation. The summary will include a thorough and documented review of the circumstances under which the alleged discrimination or harassment occurred.
- If the complainant or perpetrator is not satisfied with the resolution they will have ten calendar days to request in writing that the President of the College review and adjudicate the complaint. The President will review the complaint and respond within ten calendar days with their decision.

If an investigation confirms that a violation of the Discrimination and Harassment Policy has occurred, Kirkwood Community College will take corrective action with the offending employee, up to and including immediate termination of employment.

Retaliation against persons filing a complaint, or for assisting in the investigation following the filing of a complaint, is strictly prohibited.

Any employee who purposely and knowingly makes a false allegation of discrimination or harassment against another employee, student, applicant, or vendor will be subject to corrective action up to and including immediate termination of employment.

All aggrieved persons are encouraged to process complaints of alleged discrimination or harassment through the internal procedures established for this purpose. However, the complainant may seek remedy at any time from the Cedar Rapids Human Rights Commission, the Iowa Civil Rights Commission, the Federal Equal Employment Opportunity Commission, or other appropriate agencies. The complaint must be filed within 180 days of the alleged discrimination. The complainant may withdraw the complaint at any time and resolution reached at any step of the process.

## **Definition of Sexual Harassment**

Faculty, staff, and students at Kirkwood Community College have a right to be free from sexual harassment in the Kirkwood environment. Kirkwood does not condone actions and words that a reasonable person would regard as sexually harassing or coercive.

### **Definition**

Sexual harassment encompasses any sexual attention, from either gender, that is unwanted, and is defined as unwelcome advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when:

- submission is made an express or implied term or condition of employment or status in a class, program, or activity;
- submission to or rejection of the behavior is used to make an employment or educational decision (such as hiring, promotion, or grading a course);
- the conduct has the purpose or effect of unreasonably interfering with a person's work or educational performance or creates an intimidating, hostile, or offensive environment for work or learning, including harassment in the Kirkwood environment from an outside party, such as a vendor.

*Sexual harassment may take many forms, for example:*

- physical contact
- direct or implied threats that submission to sexual advances will be a condition of employment, work status, promotion, or grades;
- direct propositions of a sexual nature;
- comments of a sexual nature;
- sexually explicit statements, questions, jokes, or anecdotes;
- unnecessary touching, patting, hugging, or brushing against a person's body;
- remarks of a sexual nature about a person's clothing, body, about sexual activity, or about previous sexual experience.

Students, faculty, and staff need to be concerned not only with the intent of their actions of this kind but also the effects; while sexual harassment involves repeated, unwanted sexual attention, persons involved in isolated or inadvertent incidents demonstrate an insensitivity toward others. Repeated occurrences will be considered intentional violations of the policy.

## **Definition General Harassment and Workplace Violence**

Kirkwood Community College believes that all students, staff and visitors to the College are entitled to learn and work in a safe environment, free of fear for their personal safety and well-being. Therefore:

It is the policy of Kirkwood Community College that verbal harassment, threats of aggression, or acts of physical violence will not be tolerated.

Employees who have been the object of such a threat or act must immediately report the incident to their immediate supervisor or to the Vice President, Human Resources. Any supervisor who observes, overhears or receives a report of verbal harassment, threats of aggression or acts of physical violence, must immediately report same to the Vice President, Human Resources, or in his/her absence, to the Vice President of Academic Affairs or Vice President of Student Services.

Any harassment, threats, or acts of violence will be taken seriously. Upon receiving such a report, an immediate investigation will be undertaken. Reasonable steps will be taken to protect employees, students, visitors, and personal property from harm.

Any employee who is found to have harassed or threatened anyone at or from the workplace either in person or using telephones, fax machines, computers, or other communication devices, will be subject to disciplinary action up to and including termination.

If necessary, local law enforcement officials will be contacted to assist in handling a threat or act of violence.

## **Employment Activities**

All Kirkwood personnel who recruit, interview, select, and make recommendations for employment, and employment actions such as training, promotion, performance appraisal, reassignment, disciplinary action, or discharge are required to adhere to the college's EEO/AA guidelines and policies of the Board of Trustees.

### **Recruitment**

Kirkwood demonstrates its commitment to affirmative action by practicing recruitment techniques designed to encourage employment applications and student enrollment applications from under-represented groups and by providing equal opportunity for all members of the college community. Applicants will not be discouraged from entering non-traditional areas.

### **Selection and Placement**

No employee, prospective employee, student, or prospective student shall be discriminated against in the selection or placement process because of sex, race, age, creed, color, national origin, religion, marital status, sexual orientation, gender, gender identity, physical attributes, socioeconomic status, veteran status, genetic information, or physical or mental ability (except when a bona fide occupational qualification is proven to exist). Employment decisions are based solely upon the qualifications of the individual applicant. The college has an open admission policy for students.

### **Transfer, Promotion, Reassignment**

Employment actions involving transfer, promotion, and reassignment are based upon employee qualifications and the needs of the college, and in adherence to the policies established by the Board of Trustees and the Cabinet.

### **Training and Development**

Supervisory personnel will inform and encourage employees to seek additional educational experience related to job improvement or personal and professional growth. Career counseling is available to all employees and they are urged to participate in college sponsored training programs and other educational experiences.

### **Compensation, Benefits, and Working Conditions**

Kirkwood complies with all relevant state and federal legislation concerning the administration of wage, salary, fringe benefits, working conditions, and other privileges associated with employment. Information regarding these conditions is continually compiled, updated, and reviewed and action taken to eliminate any inequities based upon an employee's sex, race, age, creed, color, national origin, religion, marital status, sexual orientation, gender, gender identity, physical attributes, socioeconomic status, veteran status, genetic information, or physical or mental ability.

### **Disciplinary Action, Termination, and Retrenchment**

In the event that disciplinary action, termination, or retrenchment become necessary, procedures for these actions do not differ on the basis of the employee's sex, race, age, creed, color, national origin, religion, marital status, sexual orientation, gender, gender identity, physical attributes, socioeconomic status, veteran status, genetic information, or physical or mental ability. Any such action or recommendation is reviewed by the Vice President, Human Resources. Alternatives to such action are explored and given consideration. Termination or disciplinary action is not used as punishment or harassment against any employee who has filed a complaint of discrimination against the college.

## **Consensual Relationships**

The College's educational mission is promoted by professionalism in relationships. One of the manners in which professionalism is fostered is by an atmosphere of mutual trust and respect. Positive relationships between employees and students, peer employees, and between supervisors and their employees, enrich the College environment and are not discouraged. It is also natural that academic or employment-related interactions between some individuals may lead to personal friendships, which do not pose problems as long as they do not create a conflict of interest that could cloud academic or employment decisions. The policy on consensual relationships is in no way intended to discourage the development of constructive non-romantic, non-sexual relationships between individuals with whom there exists a power differential. However, romantic or sexual relationships are fundamentally different which raises serious concerns and are in violation of this policy.

A consensual romantic or sexual relationship between an employee and a student or subordinate employee may be exploitative in nature, leading to a conflict of interest for the person who is in the position of power, and can affect the environment for other students and/or employees or the manner in which they are treated. In keeping with this philosophy, employees of the College are not to develop relationships of a romantic or sexual nature with a student who is currently enrolled in his/her class or program, a student who is currently receiving guidance/coaching from him/her, or an employee he/she is currently supervising. Such a relationship automatically creates the appearance of a conflict of interest and will not be tolerated. In each situation involving the appearance of a conflict of interest created by an apparent consenting relationship, a determination about what measures are appropriate will be made on a case-by-case basis from the facts of the particular situation. Appropriate measures include disciplinary action up to, and including, termination.

## **Americans with Disabilities Act of 1990, as Amended in 2008**

### **Policy Statement**

Kirkwood Community College does not discriminate against qualified individuals with disabilities. The college provides reasonable accommodation(s), as required by law, to otherwise qualified applicants, employees, and students with disabilities in all work settings, education programs, activities, services, and practices, including application procedures, admissions, course selection, the awarding of degrees, discipline, and dismissal. Educational, employment, or promotion opportunities will not be denied to an employee or students because of the need to make reasonable accommodation(s) or modification(s) for the physical and mental impairment(s) of any such individual.

### **Disability Accommodations for Employees**

Any employee of Kirkwood Community College who has a disability for which an accommodation is needed should follow these procedures.

The employee will contact the Vice President, Human Resources or designee, to schedule a meeting to review the employee's accommodation application. The employee will supply medical documentation of the disability along with any supporting materials to the Vice President, Human Resources or designee, who will evaluate the documentation to determine if a disability exists. If so, the implications and impact as it pertains to the job/position and the accommodation needs of the employee will be considered.

The Vice President, Human Resources or designee will function as the case manager for the employee to determine and implement a reasonable accommodation plan.
