Medical Laboratory Technology

Department: Allied Health

Degree: Associate of Applied Science

Entry time: Fall

Length: 2 years (6 semesters)

- The program focuses on training medical laboratory technologists (MLTs) to be dependable members of the healthcare and quality teams who are **competent and knowledgeable**.
- Small classes of students are taught by **quality instructors with expertise in clinical laboratory science** who are focused on student learning success.
- The program's **advanced laboratory equipment and laboratory facilities** create a great learning environment for students.
- The program provides classroom and online learning along with **hands-on laboratory and clinical site experiences**.
- Students get their **quality clinical experience** at various hospital and public health settings.
- **Kibbie Grant:** Students in this program may be eligible to have half their tuition paid for by the Kibbie Grant. Go to www.kirkwood.edu/Kibbie for more details.

Program Description

MLTs are members of the healthcare and quality teams who perform, evaluate, and assure the accuracy and validity of laboratory test information. MLTs also collaborate in patient diagnosis, treatment, and therapy.

Various diverse functions of sample collection, test analysis, principle application, quality control monitoring, use and maintenance of automated and electronic instruments, troubleshooting, and problem-solving are performed under the supervision of a medical laboratory scientist or pathologist in compliance with safety and governmental regulations. The individual will develop competencies in areas such as chemistry, hematology, blood bank, microbiology, immunology, molecular diagnostics, and quality assurance.

Upon successful completion of the program, the student is eligible to take the national certification exam from the American Society for Clinical Pathology (ASCP).

Career Opportunities

Hospitals
Physicians' offices
Private reference laboratories
Research
Biotechnology
Public health
Nonclinical industrial laboratories
Sales or technical services

Accreditation

The Kirkwood Community College Medical Laboratory Technology program is accredited by the National Accrediting Agency for Clinical Laboratory Sciences (NAACLS).

NAACLS
5600 N. River Rd., Suite 720
Rosemont, IL 60018-5119

Sample Classes

Basic Anatomy and Physiology
Principles of Phlebotomy
Introduction to Biosafety
Urinalysis
Hematology
Hemostasis and Thrombosis
Immunology and Serology
Introduction to Chemistry
Clinical Chemistry
Clinical Microbiology
Immunohematology
Pathophysiology for the Laboratorian

Scholarships

Kirkwood will help you pay for college! Kirkwood awards more scholarships than any other community college in Iowa. For more information and to apply, visit www.kirkwood.edu/scholarships.

Kirkwood Community College shall not engage in nor allow unlawful discrimination against individuals involved in its educational programs and activities on the basis of race, creed, color, sex, sexual orientation, gender identity, national origin, religion, age, disability, or actual or potential parental, family, or marital status. If you have questions or complaints related to compliance with the policy, please contact the Vice President of Human Resources at Kirkwood Community College, 313 Kirkwood Hall, 6301 Kirkwood Blvd. SW, Cedar Rapids, IA 52404, Telephone: 319-398-5572, Email: equity@kirkwood.edu, or the Director of the Office for Civil Rights U.S. Department of Education, John C. Kluczynski Federal Building, 230 S. Dearborn Street, 37th Floor, Chicago, IL 60604-7204, Telephone: 312-730-1560, Fax: 312-730-1576, Email: OCR.Chicago@ed.gov.
