**A. WAIVER OF PREMIUM BENEFIT**

If you become totally disabled, prior to age 60, the Company will waive the premium for you and your insured dependents. The waiver of premium will begin on the first of the month following nine months of total disability in a row.

This waiver of premium benefit will end on the earliest day of the following:

5. on the effective date of any individual life insurance policy obtained in accordance with Part V, Right to Convert.
6. with respect to your dependent: on the date each one reaches the termination age shown in Part IX, When Individual Insurance Ends.
If your Waiver of Premium Benefit terminates as a result of either (1) or (2) above, you must resume paying premium on the next premium due date.

The life insurance benefit which is continued during total disability is the applicable amount of life insurance in force as to each insured person on the date total disability began (subject to any reductions shown in the Schedule of Benefits).

B. EXTENSION OF LIFE INSURANCE BENEFIT

If you were eligible for the Waiver of Premium Benefit as stated in Section A, and you continue to be totally disabled on or after the date the policy is cancelled, the Company will continue coverage without payment of premium. The amount of life insurance benefit continued is the applicable amount of life insurance in force as to you on the date total disability began (subject to any reductions shown in the Schedule of Benefits).

With respect to you, this Extension of Life Insurance Benefit shall end on the earliest of the following:

If you die while you are covered under this Extension of Life Insurance Benefit, proof that total disability had continued from the date proof was last furnished must be given to the Company before payment of the life insurance benefit is made in accordance with this Section B.

This Extension of Life Insurance Benefit does not apply to your insured dependents.

C. RULES FOR FILING A CLAIM

You must tell us about a waiver of premium claim within (30) days after the end of the waiting period. If you cannot tell us within (30) days, you must tell us as soon after that as you can. You must submit claims to us at our Office. If the Company does not send the claim form within (15) days, you can simply send us written proof of total disability. That proof must show the date and the cause of your disability and how serious it is, and it must be signed by a doctor. The Company can require that you send us additional proof at reasonable intervals during your total disability. Unless you have been legally incapable of filing the proof of your total disability, we won’t accept it if it is filed after (12) months from the date it should have been filed.

PART V – RIGHT TO CONVERT

   b. does not include accidental death, disability or other supplemental benefits; and
2. the amount of life insurance applied for under such individual life policy is in accordance with Section B of this Part V; and

Form GTL-2-CERT.

Premium for such individual life policy will be based on:

a. the Company’s usual rate for the amount and type of individual life policy;
b. the insured person’s class of risk; and
c. the insured person’s attained age.

B. The amount of life insurance for which the insured person can apply under the individual life policy is subject to the following:

   a. reductions resulting from attainment of a specific age, as shown in the Schedule of Benefits;
   or
   b. loss of individual eligibility.

2. if the insured person has been insured under the policy for at least five years, he or she may convert the lesser of the amounts shown in (i) or (ii) below for which he or she is no longer eligible due to:
   a. cancellation of the policy;
   b. cancellation of the class of insureds to which the insured person belongs; or
   c. reduction of benefits for the class of insureds to which the insured person belongs:
      i. $10,000;
      ii. all or part of the amount for which the insured person is no longer eligible. This amount will be reduced by the amount of any life insurance for which the insured person becomes eligible to receive under a group policy issued or reinstated by the Company or any other insurer during the 31 day period immediately following termination of insurance under the policy.

3. if an insured person has been insured under the policy for less than five years, he or she may not convert any amount of life insurance benefit for which he or she is no longer eligible due to the conditions enumerated in item B(2) above.

C. If the insured person dies during the period within which he or she is entitled to convert to an individual policy issued to him or her in accordance with A or B above, the maximum amount of life insurance which the insured person would have been entitled to have issued to him or her under such individual policy shall be payable as a claim under the group policy; whether or not application for the individual policy or the payment of the first premium has been made.

The rights or benefits granted under this provision are in lieu of any other rights or benefits granted under this policy.
PART VI – INSTALLMENT SETTLEMENT OPTION

You may elect to have the proceeds of the life insurance benefit paid in installments by filing a written request with the Company. At the time of election, the amount and terms of the installments shall be in accordance with those then being offered by the Company. If you do not request an installment settlement option, your beneficiary may do so after your death.

PART VII – BENEFICIARY

Your beneficiary shall be that person or persons indicated on your individual application for insurance. You shall be the beneficiary of your insured dependents.

Unless you have made an irrevocable beneficiary designation, you may change your beneficiary by sending a written request for such change to the Company. When such request is received by the Company, the change of beneficiary shall take effect as of the date of execution of the written request, but without prejudice to the Company on account of any payment previously made by the Company.

If you have named more than one beneficiary, benefits shall be paid to the beneficiaries who survive you, in equal shares, unless you have specified a different proportion.

If your beneficiary predeceases you or if you do not designate a beneficiary, then the applicable benefit amount will be paid to your estate.

PART VIII – CHANGE OF CLASS OR EARNINGS

If a change in your class or earnings would increase the amount of the benefits you are entitled to receive under the policy, such increase in benefits will become effective on the premium due date following such change, provided notice of the change is given to the Company within 30 days of the change.

If notice is not given within the required time, such increase in benefits:

1. must be approved by the Company; and
2. will become effective on the premium due date following the Company’s approval.

If you are not in active service due to injury or sickness on the date an increase in benefits is due to begin, such increase in benefits will not begin until you have returned to active service.

If a change in your class or earnings would decrease the amount of benefits you are entitled to receive under the policy, such decrease in benefits will become effective on the premium due date following the change.
PART IX – WHEN INDIVIDUAL INSURANCE ENDS

Your insurance will end on the earliest of the following:

1. when the policy is cancelled;

An insured dependent’s insurance will end on the earliest of the following:

1. on the date your insurance ends;

5. termination of the insured dependent provisions of the policy.

PART X – GENERAL PROVISIONS

ENTIRE CONTRACT: The policy, with the application for the policy, the individual applications, if any, and the endorsements, if any, is the entire contract between the policyholder and the Company. All statements made by the policyholder or by you, in the absence of fraud, will be deemed representations and not warranties. No such statement will void the insurance or reduce the benefits under the policy or be used in defense of a claim unless it is contained in a written application. No change in the policy will be valid until approved by an officer of the Company. This approval must be endorsed on or attached to the policy. No agent may change the policy or waive any of its provisions.

INCONTESTABILITY: As to the policyholder, the policy shall be incontestable after two years from its date of issue, except for nonpayment of premium.
The policy shall be incontestable after it has been in force as to an insured person for a period of two years. After two years from the date any insured person becomes covered under the policy, no misstatements, except fraudulent misstatements, made by such insured person in his or her application will be used to void coverage and to deny a claim for a loss that begins after the two year period.

GRACE PERIOD: Unless the Company has told the policyholder that the policy will end, a grace period of 31 days will be allowed. If the premium is not paid by the premium due date, it may be paid during the 31 day period immediately after the premium due date. This does not apply to the first premium.

PAYMENT OF CLAIMS: Benefits provided by the policy will be paid to you if living; or to the beneficiary determined in accordance with Part VII of the policy, entitled “Beneficiary;” or as otherwise directed by the beneficiary.

FACILITY OF PAYMENT: If the benefits provided by the policy are payable to your estate or to a beneficiary who is a minor or otherwise not legally competent to give a valid release, the Company may pay up to $500.00 to any person related to you by blood or marriage. Any payment made in good faith will fully release the Company to the limit of the payment.

PHYSICAL EXAMINATIONS AND AUTOPSY: The Company at its own expense will have the right and opportunity to have you examined as often as reasonably necessary while your total disability claim is pending. If you fail to be examined medically when required, no further benefit will be provided for that loss.

The Company may have an autopsy made at its own expense unless forbidden by law.

ASSIGNMENT: With the consent of the Company, the policy may be assigned. The Company assumes no liability for the validity of any assignment.

NONPARTICIPATION: The policy will not share in any surplus earnings of the Company.

MISSTATEMENT OF AGE: If an insured person’s age has been misstated, benefits payable for such insured person will be what the premium paid would have purchased at his or her correct age. This benefit will be subject to the applicable policy maximums.

CONFORMITY WITH STATE STATUTES: Any provision of the policy that is in conflict with the laws of the state where the policyholder is located on its effective date is amended to conform to minimum requirements.

INSPECTION OF POLICY: The policy is in the possession of the policyholder and may be inspected by you at its office anytime during business hours.
