HELP US TAKE KIRKWOOD GOLF TO THE NEXT LEVEL!

We need your help to create the Kirkwood Golf Indoor Training Facility, located on the second floor of Johnson Hall. Featuring a simulator and putting green, the facility will remove interruptions to training caused by snow, rain and other inclement weather. The facility will also allow for youth clinics, providing our team the opportunity to serve as trainers and mentors.

Gary Rozek, a great friend of our program, has committed to make the lead gift to this project and offer a 2:1 challenge match. **For every dollar you donate, Gary Rozek will contribute an additional two dollars to help us reach our goal.**

Online gifts can be made at www.kirkwood.edu/supportgolf. Checks can be payable to the Kirkwood Foundation with Golf in the subject line, and mailed to the Kirkwood Foundation, 6301 Kirkwood Blvd. SW, Cedar Rapids, IA 52404.

Thank you for considering a gift and showing your Eagle spirit. If you would like more information about this project or the golf program, **please contact Head Golf Coach Darin Pint** at darin.pint@kirkwood.edu or (319) 398-7129.

FULL SWING Sport Series Widescreen Simulator

- Official Simulator Partner of the PGA Tour and Golf Channel.
- Trusted by the pros – Tiger Woods, Jordan Spieth, Justin Rose and other top players.
- The only camera-based simulator to feature dual-tracking technology, taking overhead measurement of your club at impact, and measuring your ball in-flight.
- Creates images and video to analyze after each swing next to your club and ball data.

GROTURF Putting Green

- 40'x15' turf that allows for chipping, putting, and short game.
- Used by many collegiate golf programs at all levels.

Renovation to surrounding area

- Facility lockers, furniture, wall graphics, caddy stands for clubs.
